SUBJECT INDEX, VOLUME 48

A

Abdominal complaints
non-obstetric surgical conditions in pregnancy, 111

Abortion
labor induction
misoprostol, 244
minors' rights vs. parental rights, 170

Acupressure
first-stage labor pain relief, 317

Administrative protocols
British Columbia health care system planned home birth regulations, 138

Adolescent health issues
abnormal uterine bleeding, 186
dating and intimate partner violence, 226
guidelines for preventive services, 231
midwife role, 165, 167
minors' rights vs. parental rights, 170
physical activity barriers perceived by adolescent girls, 206
pregnancy, 178, 192, 220
sexual risk assessment, 213
smoking, 199

Advanced directives
midwifery care, 278

American College of Nurse Midwives
symposium with Canadian Association of Midwives, 85

Anovulation
adolescent, 186

Antenatal care
care seeking behaviors, 268

Anthropometric measurements
accuracy of self-reported, 338

Assessment
midwifery distance education, 426
non-obstetric surgical conditions in pregnancy, 111

Atrophic vaginitis
lactational, 282

B

Bacterial vaginosis
diagnosis and treatment, 96

Bioterrorism
smallpox and pregnancy, 258

Biphosphonates
osteoporosis prevention and treatment, 39

Birth experience
adolescent, 192

Birth plan effects
childbirth experience, 322

Bowel obstruction
triage with pregnancy, 111

Breast cancer
identification and management of DES-exposed patients, 19
screening
breast implants, 329
self-exam, 298

Breast feeding
atrophic vaginitis, 282

Breast implants
breast cancer screening, 329

Breast self-exam
efficacy of, 298

Breastfeeding
translation of self-efficacy scale into Chinese, 350

Breastfeeding self-efficacy scale
translation into Chinese, 350

British Columbia health care system
interdisciplinary care, 126
planned home birth regulations, 138

C

Canadian Association of Midwives
symposium with American College of Nurse Midwives, 85

Cancer
breast
identification and management of DES-exposed patients, 19
self-exam, 298
screening
breast implants, 329

Centering Pregnancy
adolescent pregnancy, 220

Cervix
labor induction
misoprostol, 244

Childbirth
adolescent experiences, 192
birth plan effects, 322

Chlamydia
diagnosis and treatment, 96

Cholesterol
adolescent screening, 231

Clear cell adenocarcinoma
identification and management of DES-exposed patients, 19

Clerkship
clinical teaching and learning, 398

© 2003 by the American College of Nurse-Midwives
Issued by Elsevier Inc.

1526-9523/03/$30.00 • doi:10.1016/j.jmwh.2003.10.011

Clindamycin
postpartum
disulfiram reaction, 67

Clinical bulletin
early-onset group B streptococcus infection in newborns
prevention and prophylaxis, 375

Clinical competency
midwifery distance education, 426

Clinical education
web-based data collection, 437

Clinical learning
midwifery, 398

Clinical practice
evidence application, 243

Clinical teaching
midwifery education, 398, 455

Clinical topics update
American College of Nurse Midwives and Canadian Association of Midwives symposium, 85

Collaborative practice
British Columbia health care system, 126

Complications
management of severe edema in pregnancy, 146

Computer-mediated instruction
redesigning courses for distance education, 407

Computerized information system
web-based data collection, 437

Confidentiality
minors' rights vs. parental rights, 170

Consent
minors' rights vs. parental rights, 170

Continuity of care
midwifery model, 119

Critical thinking
midwifery education, 455

D

Dating
adolescent, 226

Delivery
adolescent experiences, 192
birth plan effects, 322
cesarean
vaginal birth after uterine rupture during trial of labor, 249
vaginal birth after cesarean
uterine rupture during trial of labor, 249

DES
identification and management of DES-exposed patients, 19

Diethylstilbestrol
identification and management of DES-exposed patients, 19

Distance education
evaluation for midwifery, 426
glossary, 473
nurse-midwifery, 418
redesigning courses for, 407

Disulfiram
reaction with postpartum metronidazole, 67

Drug-drug interactions
disulfiram and postpartum metronidazole, 67

E

Early-onset group B streptococcus infection
in newborns
prevention and prophylaxis, 375

Edema
pregnancy and physiologic, 146
severe gestational, 146

Education
current midwifery students, 391
distance
evaluation for midwifery, 426
nurse-midwifery, 418
redesigning courses for, 407
midwifery
innovations in, 389, 393, 482
Master's of Science, 133
clinical teaching advice, 455
clinical teaching and learning, 398
distance education glossary, 473
genealogic origins of U.S. programs, 464
redesigning courses for distance education, 407
service learning, 444
web-based data collection, 437
web-based education, 418
service learning
international, 449
nurse-midwifery, 86
genealogic origins of U.S. programs, 464
web-based education, 418
nursing
redesigning courses for distance education, 407
service learning
international, 449

Educational measurement
web-based data collection, 437

Educational models
American College of Nurse Midwives and Canadian Association of Midwives symposium, 85
evidence-based medicine and midwifery, 273

Episiotomy
postpartum perineal muscle function, 53

Estrogens
identification and management of DES-exposed patients, 19

Evaluation
midwifery distance education, 426

Evidence
practice application, 243

Evidence-based approach
safe motherhood interventions, 10, 373

Evidence-based medicine
midwifery, 273

Evidence-based practice
resources for, 287, 360

Exercise
benefits and types, 475
physical activity barriers perceived by adolescent girls, 206

F

Fetal heart rate
uterine rupture with trial of labor in vaginal birth after cesarean, 249

First-stage labor
ice massage for pain, 317

Folic acid
indications and benefits, 365

G

Gallbladder disease
triage with pregnancy, 111

Genital tract trauma
perineal muscle function after episiotomy, 53
reduction of, 105

Genuine stress incontinence
postpartum diagnosis and treatment, 60

Girls
physical activity barriers perceived by adolescent girls, 206

Global health
International Confederation of Midwives, 346

Graduate education
Master's of Science midwifery degree, 133

Group A streptococcus infection
toxic shock syndrome, 357

Group B streptococcus infection
early-onset in newborns
prevention and prophylaxis, 375

H

Hazing
midwifery education, 455

Health care seeking behaviors
antenatal care, 268

Height
accuracy of self-reported, 338

Hemorrhagic disorders
adolescent, 186

Herpes simplex virus
diagnosis and treatment, 96

Hispanic women
labor duration, 2

History
midwifery
genealogic origins of U.S. programs, 464

History of midwifery practice
American College of Nurse Midwives and Canadian Association of Midwives symposium, 85
U.S. origins and expansion, 86

Home birth
British Columbia health care system, 138

Home childbirth
U.S. origins and expansion, 86

Human papilloma virus
diagnosis and treatment, 96

I

Ice massage
first-stage labor pain relief, 317

Immunizations
adolescent, 231

Implants
breast
breast cancer screening, 329

Instrument development
breastfeeding self-efficacy scale
translation into Chinese, 350

Interdisciplinary care
British Columbia health care system, 126

International health
service learning in midwifery education, 449

International research
International Confederation of Midwives, 346

Intervention study
childbirth experience and birth plan, 322

Interventions

Intimate partner violence
adolescent, 226

J

Journal
new design and content, 1, 307
online, 307

Journal reviews, 76, 157, 234, 292, 367, 477

L

Labor
complications and duration in Hispanic women, 2
definition, 285
first stage
duration in Hispanic women, 2
ice massage for pain, 317
induction

misoprostol, 244
second stage
duration in Hispanic women, 2
genital tract trauma prevention, 105

Lacerations
perineal
prevention and management, 105

Lactation
atrophic vaginitis, 282
prescribing practices, 162

Lead poisoning
effects in pregnancy, 30

Lead sources
environment sources and effects during pregnancy, 30

Legal issues
minors' rights vs. parental rights, 170

Licensure
state regulations for midwifery, 297

M

Manpower
nurse-midwifery, 86

Mary Ann Shah New Author Award
background and initiation, 307

Master's of Science
midwifery degree, 133, 297

Maternal child health
service learning in midwifery education, 449

Maternal confidence
breastfeeding self-efficacy scale
translation into Chinese, 350

Maternal mortality
evidence-based approach in safe motherhood, 10, 373

Media reviews, 79, 159, 236, 294, 369, 479

Medical care
advanced directives in midwifery care, 278

Menorrhagia
adolescent, 186

Menstruation
adolescent, 186

Metronidazole
postpartum
disulfiram reaction, 67

Midwifery
art and science of, 82
evidence-based research findings, 273
international research, 346
Master's of Science, 133, 297
state regulations for licensure, 297

Midwifery education
clinical teaching, 455
clinical teaching and learning, 398
current students, 391
distance education glossary, 473
genealogic origins of U.S. programs, 464
innovations, 389, 393, 482
Master's of Science, 133, 297
redesigning courses for distance education, 407
service learning, 444
international, 449
web-based data collection, 437
web-based education, 418

Midwifery history
genealogic origins of U.S. programs, 464

Midwifery model
continuity of care, 119

Midwifery practice
history of
American College of Nurse Midwives and Canadian Association of Midwives symposium, 85
U.S. origins and expansion, 86

Midwifery research
American College of Nurse Midwives and Canadian Association of Midwives symposium, 85

Misoprostol
labor induction, 244

Mortality
maternal
evidence-based approach in safe motherhood, 10, 373

Multidisciplinary care
British Columbia health care system, 126

N

Neonatal outcome
uterine rupture with trial of labor in vaginal birth after cesarean, 249

Non-obstetric surgical conditions in pregnancy
triage, 111

Nurse-midwifery education
U.S. programs, 86, 464
web-based education, 418

Nurse practitioners
web-based education, 418

Nurses
British Columbia health care system, 126
knowledge and attitudes of midwifery, 126

Nursing
midwifery education innovations, 393, 482

Nursing education
international service learning, 449
redesigning courses for distance education, 407

O

Obstetric nursing
U.S. origins and expansion, 86

One-to-one midwifery
continuity of care model, 119

Osteoporosis
definition, incidence, prevention, 72
information and screening, 74
prevention and treatment, 39

Outcomes assessment
British Columbia health care system planned home birth regulations, 138

P

Pain relief
ice massage in first-stage labor, 317

Pancreatitis
triage with pregnancy, 111

Patient Self-Determination Act
advanced directives in midwifery care, 278

Pelvic inflammatory disease
diagnosis and treatment, 96

Perceived barriers
physical activity by adolescent girls, 206

Perineal lacerations
prevention and management, 105

Perineal management
of genital tract trauma, 105

Perineal muscle function
after episiotomy, 53

Physical activity
barriers perceived by adolescent girls, 206

Policy
British Columbia health care system planned home birth regulations, 138

Populations at risk
social outcomes of early childbearing, 178

Postmenopause
osteoporosis prevention and treatment, 39

Postpartum
genuine stress incontinence, diagnosis and treatment, 60
lactational atrophic vaginitis, 282

Preceptors
clinical teaching and learning, 398

Pregnancy
adolescents, 170, 178, 192, 220
British Columbia health care system planned home birth regulations, 138
labor induction
misoprostol, 244
management of severe edema, 146
minors' rights vs. parental rights, 170
non-obstetric surgical conditions in, 111
prescribing practices, 162
sexually transmitted disease diagnosis and treatment during, 96
smallpox vaccine, 258
social outcomes for adolescents, 178

Prenatal care
adolescent, 220
history, 86

Prescribing practices
pregnancy and lactation, 162

Preventive services
guidelines for adolescents, 231

Primary health services
care seeking behaviors, 268

Psychometric testing
breastfeeding self-efficacy scale
translation into Chinese, 350

Puerperal infection
group A streptococcus and toxic shock syndrome, 357

R

Race
Hispanic women
labor duration, 2

Research
American College of Nurse Midwives and Canadian Association of Midwives symposium, 85
International Confederation of Midwives, 346
service learning, 444
web-based data collection, 437

Residency training
clinical teaching and learning, 398

Resilience
adolescent health issues, 167

Resources for evidence-based practice, 287, 360

Risk assessment
adolescent sexual, 213

Risk behaviors
adolescent health issues, 165, 167, 199
adolescent sexual, 213
smoking in adolescent girls, 199

S

Safe motherhood interventions
evidence-based approach, 10, 373

Screening
dating and intimate partner violence in adolescents, 226

Selective estrogen receptor modulators
osteoporosis prevention and treatment, 39

Self-exam
efficacy of breast, 298

Self-reported height
accuracy of, 338

Self-reported weight
accuracy of, 338

Serologic screening
toxoplasmosis, 308, 386

Service learning
midwifery education, 444
international, 449

Sex education
minors' rights vs. parental rights, 170

Sexual risk assessment
adolescent, 213

Sexually transmitted diseases
adolescent screening, 231
bacterial
diagnosis and treatment, 96
viral
diagnosis and treatment, 96

Smallpox
clinical aspects in pregnancy, 258

Smallpox vaccine
pregnancy, 258

Smoking
adolescent girls, 199

Social medicine
adolescent pregnancy, 178

South Africa
health care seeking behaviors, 268

State regulations for licensure
midwifery, 297

Streptococcus infection
group A
toxic shock syndrome, 357
group B
early-onset in newborns
prevention and prophylaxis, 375

Stress
adolescent health issues, 167

Stress incontinence
postpartum diagnosis and treatment, 60

T

T. gondii
maternal serologic screening, 308

Teenagers' health issues
midwife role, 165, 167

Toxic shock syndrome
group A streptococcus, 357

Toxoplasmosis
maternal serologic screening, 308, 386

Translation
breastfeeding self-efficacy scale, 350

Triage
non-obstetric surgical conditions in pregnancy, 111

Trial of labor
vaginal birth after cesarean
uterine rupture, 249

Trichomoniasis
diagnosis and treatment, 96

Tuberculosis
adolescent screening, 231

U

Urinary incontinence
postpartum diagnosis and treatment, 60

Urogenital atrophy
lactational, 282

Uterine bleeding
abnormal
adolescent, 186

Uterine rupture
trial of labor in vaginal birth after cesarean, 249

V

Vaccination
smallpox and pregnancy, 258

Vaginal birth after cesarean
uterine rupture during trial of labor, 249

Vaginitis
lactational atrophic, 282

Violence
intimate partner
adolescent, 226

Virus
smallpox in pregnancy, 258

Vulvar edema
management in pregnancy, 146

Vulvovaginal candidiasis
diagnosis and treatment, 96

W

Web-based education
nurse-midwifery, 407, 418

Weight
accuracy of self-reported, 338

Weight gain
during pregnancy, 229

World Wide Web
distance education, 407
